

Beyond Distribution's Host A Screening Program

Now you can host a special screening of Beyond Distribution DVD titles through our "Host A Screening" program. Share the film with your friends, family and community.

Please be advised that the film is copyrighted and anyone wishing to hold a public screening must have our express written permission. Through our program, we offer support materials, advice, and a screening agreement. We are pleased to support you, and we ask that you respect the hard work of our filmmakers in putting together these films and practice good faith in your use of it. You may also decide to offer the filmmaker a cash honorarium which would be greatly appreciated. This honorarium can be made payable to Beyond Words Publishing.

For questions or to order DVDs, contact rachel@beyondword.com or call 503-597-3675. Please contact us if your venue doesn't seem to fit any of the options below; we're willing to work with you to have a successful screening.

There are five options for hosting a screening:

Option 1: Private Home Screening of 10 Viewers Or Less

This option is for individuals who would like to host a small screening of 10 people or less in a private home. (Public screenings of any size do not qualify.) Please email us at: rachel@beyondword.com for information on public screenings.

We can also provide you with promotional materials such as banners for email or newsletters, evites that you can adapt for your event, film posters and a postcard template.
